

Discover Blair County (DBC) Hotel/Motel Property Promotion Policy:

DBC is a non-membership-based organization. DBC's mission is to communicate and promote Blair County's unique assets, destinations and lodging properties that will provide visitors with the best and highest quality visitor experience.

To be listed online and in the Blair County Visitor's Guide, all Blair County based Hotel/Motel properties must maintain a 3-star Co-Star rating or above.

Those with less than a 3-star rating can be listed if they offer meeting spaces that can accommodate at least twenty people, and/or can demonstrate major investments in room renovations within the last five years.

All lodging properties must demonstrate a safe environment for guests and therefore are monitored annually through the Blair County 911 system response reports. *Note: This policy currently does not apply to independent Bed and Breakfasts or VRBO rental properties

(v.7/14/26).
